KLAPPER BIT

PROCEEDS TO BENEFIT SPECIAL FORCES FOUNDATION

Written by Lizzie Iwersen

For the 3rd consecutive year, the WHC Ranch Horse Sale is blessed with the opportunity to auction off an authentic Billy Klapper bit. Once again, the Klapper 436 comes to us from the Estate of close friend and collector of Billy Klapper wares, Perry Johns.

We are grateful to Johns' third cousin Ashley Gee—who referred to Johns as “Uncle Perry”—for spearheading these sales. Gee was Johns' driver during her 20s when she served in the air force. Johns, also an air force veteran, relied on Gee to take horses across the county for him.

“He would call and say, ‘I’m going to fly you to this airport, and I’ll meet you there with a truck and a trailer. I need you to haul horses for me,’” Gee

recalls. “For 20 years I hauled horses for Uncle Perry.”

When Johns passed in 2021, Gee and other family members were given charge of his bit collection, with the only instructions being to do with them what they wished.

“In our minds, this is an opportunity to do good,” Gee says. “They are not ours, they are not earned by us, but it’s an opportunity to do good, so that is what we are going to do.”

This year, Gee crossed paths with Green Beret and President of the board of Special Forces Foundation, Ignacio Garza, and soon realized it was “a God thing.” After learning of his own passion for horses and equine therapy, she was happy to have found the nonprofit organization to receive all the funds

raised through this year's sale of the Klapper bit.

The Special Forces Foundation, an organization run by Green Berets for Green Berets, provides immediate and ongoing support to the Special Forces community and their families.

"The foundation's goal is maximizing the amount of money raised and given back to the families," Garza explains. "As Special Forces you have seen the worst of humanity and the challenges you face coming out of war are not new. Our hope is that how we treat those challenges, will be. We don't look at throwing money

at a problem, we look at solving that problem with creative solutions."

Gee is passionate about taking care of the people who have made this country what it is.

"I think there is a huge connection between the people who serve our country and the people who get up and serve our country in the ranching community," she says. "I think bringing those two together is important. Because they make this country great."

THE BOONE ASKEW “NEXT MAN” MEMORIAL SCHOLARSHIP & CRISIS FUND

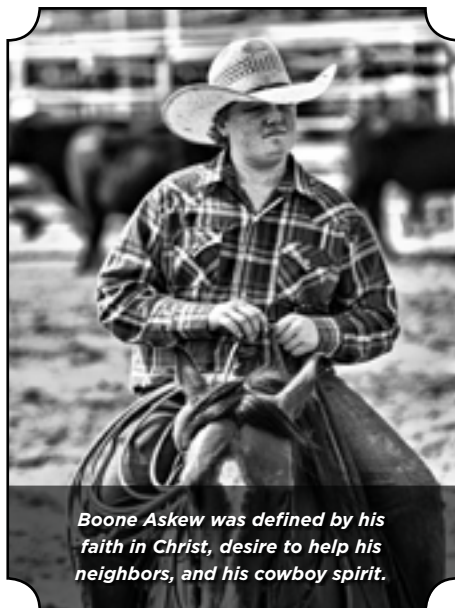

*Raising money for WHC Cowboys and Families
with the sale of RBA WHATTA SMOOTHMAN, a 2024 sorrel colt.*

RBA WHATTA SMOOTHMAN
APRIL 5, 2024
SORREL COLT

	SMOOTH TALKIN STYLE	SMOOTH AS A CAT
SMOOTH TALKIN TIME		STYLISH PLAY LENA
ESR TABITHA		ONE TIME PEPTO
		RUBY RED CAT
	QUENTICE MECOM BLUE	MECOM BLUE
SAN DODGER BLUE		QUIOLENA
PATTY SAN DODGER		ZERO BADGER BOY
		SHEZA TONI DODGER

RBA Whatta Smoothman is a very personable, big boned, athletic prospect with a world of black type pedigree. His sire is a royally bred son of Smooth Talkin Style from Wayne and Chad Smith's incredible program. His dam is an own daughter of an RHAA legend and World Champion, Quentice Mecom Blue, aka "Leroy" owned by Spires Ranch and shown by TJ Roberts. Don't miss this great colt and the opportunity to holler at your "Next Man".

Boone Askew, the son of Shawn and Angela Askew, was raised in Albany and Comanche, Texas. Boone was called home at only 17 years old. From an early age, Boone realized his purpose in life was to be a cowboy. He went on to work at cattle ranches all across Texas. As Boone branched out and began to forge his own direction, it became his dream to breed and raise his own line of ranch horses. It is the wish of Boone's family to continue his legacy with The Boone Askew "Next Man" Memorial Scholarship & Crisis Fund presented through the Western Heritage Classic. Proceeds from the sale of RBA Whatta Smoothman will be given to a deserving recipient at the 2026 WHC horse sale. The "Next Man" represents the way Boone lived his life. Helping a friend in need, giving sacrificially, and most of all answering God's call to your purpose in life. Through this drive of life the family prays that when you hear God holler, then holler back!

*Boone Askew was defined by his
faith in Christ, desire to help his
neighbors, and his cowboy spirit.*

PERFORMANCE RECORD: Earner of \$72,525 and 5.5 AQHA points. **In 2018:** 4th NRCHA Open Futurity; NRCHA Open Futurity Fence Work Reserve Champion; **in 2021:** NRCHA Eastern Non-Pro Bridle Spectacular Reserve Champion; **in 2022:** RHAA National Finals Senior Open Reserve Champion; top 10 NRCHA Futurity Bridle Limited Non-Pro Class; **in 2023:** RHAA National Finals Senior Open Reserve Champion.

NOTES: This gelding is as versatile as it gets in all aspects — from being an accomplished show horse in the arena, to winning ranch rodeos, and even to ride pens and sort cows. His work ethic is strong, no matter what you ask him to do. "Deuce" has won an excess of \$75,000 — \$55,000 in the NRCHA, and \$12,500 in the RHAA. He was RHAA National Cowboy Champion and Reserve National Senior Champion twice, also winning Reserve National Collegiate Non Pro and several other collegiate titles. Deuce is an extremely athletic and talented gelding, yet gentle enough that anybody can ride him. He excels at cow work and is a dream to take down the fence. He has energy for days; you can't wear him out. Enter him in three classes at the same show, and he's not quitting you. Like Doc Holiday, he's your good and loving man that can go on and on. Truly a one of a kind and rare offering. X-rays are available upon request.

NOTES: Do you want to see a special horse? Then come look at "Jobu." Jobu is Ryan's #1 horse and is a blessing to have around. Jobu is a big 8-year-old sorrel gelding that stands 15.1 hands tall. This horse has been hauled all around the world. He has been to World Series team ropings, ranch rodeos, and even been picked up on some. We have also used him to drag bucking bulls out of the arena. Jobu has doctored thousands of wheat pasture cattle outside. He has been to his fair share of brandings. Jobu is extremely cowy and will sort like a dream. This horse will fit about anyone that rides. Our son uses Jobu on the ranch when he is not in school. If you are looking for a horse to be competitive on or just looking for one to use on the ranch you will not find a better horse than Jobu. This horse will really be missed around the barn. He is a horse that you can stay off for three months and will be the same horse when you get back on. Jobu is gentle, sound and ready to go! Come take a look at Jobu before sale day.

NOTES: "Hedley" is the kind of horse that we are proud to offer at the Western Heritage Classic Horse Sale. He is the one you have been looking for. Hedley is a cool-moving, good-looking bay gelding. He stands 15 hands tall, is gentle, broke and very good-minded. He turns around pretty and can really stop. Hedley is athletic and is elevated, which we feel like are two of the most important characteristics in a rope/ranch horse prospect. He is a been there and done that kind of horse. He does great with time off and wants to please. We have started Hedley on both sides and he shows an extreme amount of talent. Hedley is already hunting the corner and dragging his butt on the heel side. One the head side, he has rate and wants to make that move. Hedley is the kind of horse who will pay for himself overnight. We have used Hedley extensively outside dragging calves, gathering big pastures and doctoring cattle. He is by the 2015 NCHA Futurity Champion; Stevie Rey Von. He is as nice of a 4 year old as you can ask for and has a bright future ahead of him. 7L RANCH

Sunray, Texas

Paxton Ramsey

(806) 443-0366

7L

The 7L Ranch, founded in 1904 by E.W. Boyt has been and still is a very traditionally run horseback operation! It is owned and operated, north of Amarillo, TX, by Paxton Ramsey and his daughter, Haidyn. It is both a cow / calf and yearling operation. At one time the ranch had nearly 200 brood mares but now down to roughly 45. We have pulled horses from ranchers such as Bill Smith, the Cogdell family, Tongue River, The Matador Ranch and Wayne Prewitt to improve our program. The current genetics focused on the most are Metallic Cat, Ten O Sea, Peptoboonsmal, Haidas Little Pep, and a few foundation King Ranch horses, just to name a few! Our goal is to raise a sizable horse of substance, stamina and a sound mind that still has the athletic ability of a smaller performance horse. We want to be able to market our horses to everyone from the working cowboy to the ropers to the cow horse family! We have been very blessed to make these horses such a large part of our livelihood and continue to always improve and pass forward this part of our heritage!

BRADLEY J3 RANCH

Electra, Texas

Johnny Miller

(940) 733-4814

Our family has ranched in Wichita County for over 140 years. We have always used horses to get our work done. I'm an old school guy, so we still do our work horseback. We don't have a trainer, and I can't train a lion to eat meat, so we just trot 'em. I am not cowboy enough to get anything done on a fresh horse. Horses carrying our brand have competed at the highest level. Ranch rodeos where some were picked as "top horse". They have been to team ropings, calf ropings & barrels races. They have had money won on them at the B.F.I., multiple horses ridden at the National Finals Steer Roping, and the Timed Event Championship. Our philosophy on selling horses is simple. Cheap, good & fast; pick any two. If you want it cheap & fast, it won't be any good. If you want it cheap and good, it won't be fast. If you want it good and fast, it sure ain't going to be cheap.

In addition, some members of the fourth-generation lease parts of the ranch for their own operations. Even though there are several family units conducting business

within the Tule Ranch border, we have the unique blessing of helping each other, so much so, that there is very little need for any outside labor. Today the broodmare band reflects the Cogdell's interest in the cutting arena, as well as in ranch horses, because to the Cogdell family they are one in the same. The primary goal of the Tule Ranch remuda program is to produce good quality, versatile ranch horses with the ability and breeding to also compete in the arena. This has cumulated in two NCHA Open Futurity wins (1978 & 1999) and being selected as an AQHA Best of The Remuda Award recipient (2006).
