

## **#TheNextMan Scholarship In Memory of Boone Askew**

#TheNextMan Scholarship will be awarded to persons of faith, hard work, and grit that has ties to the Western Heritage Classic. This scholarship may benefit anyone who plans to attend, or is currently attending, a technical school, trade school, two- or four-year college, or joining the armed forces. This scholarship is not based on academic achievement, but reserved for individuals who value hard work, have a love for their fellow man, and a love for the Lord. Being #TheNextMan is all about listening for God's voice and responding to how the Lord wants to use you. Whether it be helping a friend in need, serving in places near or far, or being an example to those around you, if you hear Him holler, "holler back."

The Askew and Armstrong families are diligently working to "holler back" in response to the Lord's calling on our families' lives with the loss of our cowboy, Boone.

Requirement: Complete the attached application questions *and* submit an essay "Reflecting who YOU are, your future plans, and an example of a time when you have shown characteristics of being #TheNextMan."
